

LONGLEY PARK SIXTH FORM COLLEGE

EQUALITY & DIVERSITY POLICY STATEMENT

Longley Park Sixth Form College is totally opposed to discrimination or prejudice of any kind.

The College is committed to promoting equality and diversity and ensuring that all members of its community can achieve their goals. We welcome the variety of contributions that enrich the experience of the College for everyone.

The College will not tolerate any form of discrimination on the grounds of gender, marital status, family responsibility, health status, sexuality, age, disability, race, ethnic or national origin, colour, religious or political belief, class and mental health.

All students, staff and visitors, have the right to freedom from harassment and discrimination. All students and staff have the responsibility to challenge discrimination and to support and promote fairness and respect to all.

Copies of the College's Equality & Diversity policy are available on the College's web site.

The College has complaints and grievance procedures for the reporting of events which contravene the ethos of fair treatment. Reports will be analysed on an annual basis to identify any trends that may require action at an organisational level, either to improve implementation of this policy or to review its effectiveness.

We welcome any comments or suggestions which will help us improve our performance in this area.
