## **What's it About?**

### **The Places I've Cried in Public**

It looked like love.  
It felt like love.  
But this isn't a love story.

Amelie fell hard for Reese. And she thought he loved her too. But she's starting to realise that real love isn't supposed to hurt like this.

So now she's retracing their story, revisiting all the places he made her cry. Because if she works out what went wrong, perhaps she can finally learn how to get over him.

### **Am I Normal Yet?**

All Evie wants is to be normal. And now that she's almost off her meds and at a new college where no one knows her as the-girl-who-went-nuts, there's only one thing left to tick off her list... But relationships can mess with anyone's head- something Evie's new friends Amber and Lottie know only too well. The trouble is, if Evie won't tell them her secrets, how can they stop her making a huge mistake?
